 Abuja Trade & Convention Centre,
KM 8, Airport Road, Abuja.

THEME

**Energy Security & Sustainability in
Oil and Gas Sector**

SPONSORSHIP PACKAGE

The 2021 Energy Day was a time for reflection and national discourse for the polity to deserve appropriate responses and way forward. The second edition of the conference and expo will further look deep into some of the challenges mentioned and how far the recommendations have been implemented.

The 2022 conference is billed to focus on contemporary challenges on Oil & Gas expansion prospect with the theme, "Energy Security and Sustainability in Oil & Gas"

The following are the objectives of the conference

1. To promote the use of energy;
2. To encourage people to use it efficiently;
3. To raise awareness about energy usage;
4. To ensure the affordability of safe and sustainable energy;

5. To promote global decarbonising efforts

We plan for grand post-event advocacy campaigns to ensure realization of the goals alongside the mobilization of the business community for the gas agenda of the administration.
